STAR WARS

SPARK OF THE REBELLION CHARACTERS

Colpa Pesh is the son of Senator Orn Free Taa. His early years were filled with luxury and free from want. That ended abruptly when he was captured by pirates and then enslaved when the Senator refused to pay the ransom. He was discovered and freed by General Cham Syndulla but was forced to see and acknowledge the corruption of the empire. Now he is estranged from Senator Free Taa and covertly supports the efforts of the General and his daughter Hera.

Hook: Hunted by the Inquisitors

Lucky Seven or Lucky is the former clone scout trooper CT-777. Deployed on Kashyyyk with the 41st Elite Corps under the direction of Jedi Master Luminara Unduli, something went wrong with Lucky's biochip and instead of receiving Order 66, like the rest of his unit, he was beset with blinding headaches for several days. After recovering, he was appalled by his fellow troopers and their sudden devotion to Sith Lord Darth Sidious. Lucky fled the base and quietly made his way to the backwater world of Ord Vaxal where he works as a mechanic, keeping his head down and awaiting the day when he can once again work with Jedi to make a difference in the galaxy.
